### UPCOMING EVENTS

- Shopping Tour – November TBC

Dear Parents and Friends

This week I wanted to provide you with some information about our upcoming school review. As you may be aware school communities are required to develop a strategic plan that outlines the goals and key work for the school for a 4 year period. At the end of the 4 years the school undertakes a school review. The school review process is collaborative and transparent and focusses on improved student outcomes, promoting excellence across the curriculum and enhancing the health and wellbeing of students. As this year is our 'review year', this term will see us finalise our school self-evaluation, reflecting on our goals and key work from the past 4 years. Next term we will undertake the final step in the process which sees us setting goals and outlining the key work for our school community for 2019-2022.

### Meeting with classroom teachers and members of the Principal Team

Working in partnership with parents is very important to us at Stockdale Road Primary School. Staff are always willing to meet with parents to chat about their child/ren. Catching up with a classroom teacher is always best between 8:30 and 8:45am or Monday after school. If you are wanting to catch up with a member of the Principal team please contact the office and Michelle will take your details and follow up with a member of the Principal team.
