Dear Parents and Friends,

We hope you all had a wonderful break from the routine of packing school lunches and rushing out the door each morning.

Parent Opinion Survey 2018

We're conducting a survey to find out what you think of our school. The Parent Opinion survey is completed annually by the Department of Education and Training and is conducted amongst a sample of randomly selected parents at every school in Victoria.

All responses to the survey are anonymous. This survey helps our school gain an understanding of how you view our school climate, student engagement and relationships.

Our school will use the results to inform school planning and improvement strategies. This year however, the survey will be conducted online and only takes 15 minutes to complete.

If you have been selected to do the survey online, you will be contacted in the coming weeks, with information of how to access the survey.
