### UPCOMING EVENTS

- Shopping Tour – November TBC

Dear Parents and Friends

Early this week School Council held their monthly meeting. Our grounds and buildings subcommittee members have been very busy in recent months getting quotes, meeting with contractors and organising some major projects. Here is a bit of an update on the key projects:

- I am sure you will have seen our newly resurfaced oval. We are keen to give it a reasonable settling in period before we put it to the test with the wear and tear that our students expose it too
- The construction of our new fence will commence in the coming weeks and is due to be completed by the end of term. There will be a very short period of time that will see some small inconvenience in relation to our gates. Further details will follow
- We are exploring our options for the construction of some cubby houses, possibly custom built, to add to our playground
- The final planning stages of a contemporary DigiTech facility

### Parent Opinion Survey 2018

We're conducting a survey to find out what you think of our school. The Parent Opinion survey is completed annually by the Department of Education and Training and is conducted amongst a sample of randomly selected parents at every school in Victoria.

All responses to the survey are anonymous. This survey helps our school gain an understanding of how you view our school climate, student engagement and relationships.

Our school will use the results to inform school planning and improvement strategies. This year however, the survey will be conducted online and only takes 15 minutes to complete.

If you have been selected to do the survey online, you will be contacted in the coming weeks, with information of how to access the survey.
