### MISSION & VISION

Stockdale Road Primary School's mission and vision is to build strong relationships with students, families and the community and to demonstrate excellence in teaching and learning.

### VALUES

Stockdale Road Primary School's philosophy reflects a developmental, child centred approach that is anchored in the personal interest of each child. The school seeks to educate the whole child by nurturing their cognitive, linguistic, physical, social and emotional growth. *Not all children are ready to learning the same thing, in the same way, at the same time (Kathy Walker).*

Students demonstrate our school values by understanding and demonstrating our School Promise.

## Building Strong Relationships Excellence in Teaching and Learning

### Our School Promise

When we care about each other  
And our school community,  
We share what we have,  
Respect ourselves, each other and the environment,  
Listen carefully, help each other learn,  
Work hard and always give our best effort,  
And have fun together.  
We understand that everyone makes mistakes.  
That we look out for ourselves and others,  
And when someone tells us to stop, we stop.  
This is who we are, even when no one is watching.
