## Term 4 2018 Newsletter #1

Wow! It's Term 4! So much is happening this term as teachers write reports, consider grade placements for 2019 and prepare students to transition to a new grade and teacher. Students will also participate in our swimming program and students will be rehearsing for the end of year concert. The Year 1 teachers have sent out a note advising parents of the costume required for their child. It will be a wonderful way to celebrate a great year we have had together.

### Learning in Investigations

Students have loved seeing all the new interest areas implemented in their classrooms. The science, sensory and writing areas are popular and provide students an opportunity to build their literacy and numeracy skills along with strengthening their fine motor skills. Here are some of our learners at work!

## Footy Colours Day

On the last day of Term 3, the students wore their favourite footy colours. The students participated in a footy clinic where they practised skills such as handballing, kicking and scoring a goal.
