

## Year 3 Team Newsletter

Term 2, Week 6, 2018

Hello all,  
The term is flying by!  
The year 3 students sat the NAPLAN tests last week and what a fabulous job they did! Students were very settled and the atmosphere in the building was calm. Well done Year 3s!

### DIARIES

Please continue to encourage your child to bring their diary to school each day and talk to them about what they have written in their diary. An important component of the diary is the reading log. This is a place for students to record their home reading. Students can borrow from the library or the classroom take home books and are to log their reading in their diary each night.

### HOMEWORK

Please continue to support your child to complete their homework. Homework is due each **Friday**. You may have noticed some Maths homework last week and this week, this work is to help students consolidate their number facts. It is important that students are able to recall number facts automatically, so thank you in advance for your support in this.

*Please remember that homework should take no more than 20 minutes per night in total.*

### CAMP

Camp forms have now been sent home. Please return these as soon as possible to the office. A camp meeting for parents will be end next term. This meeting will address any areas of concern you may have. You will be notified of a date and time closer to the event.

## Mission

We work together to build strong relationships; fostering growth and learning for all.

## Vision

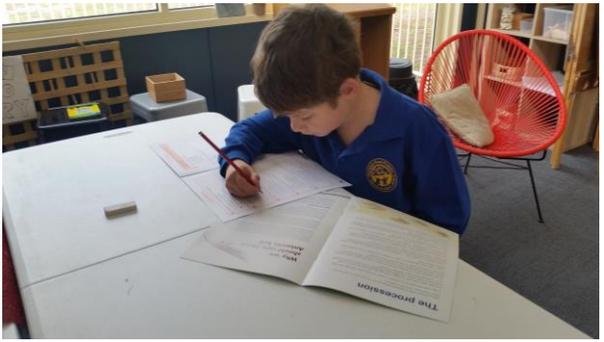

To know our students, how they learn and to continue to develop excellence in teacher and learning practice.

## Values

Stockdale Road Primary School's philosophy reflects a

Developmental, child centered approach that is anchored in the personal interest of each child. This school seeks to educate the whole child by nurturing their cognitive, linguistic, physical, social and emotional growth.

*Not all children are ready to learn the same thing, in the same way, at the same time - Kathy Walker.*

Year 3 students undertaking NAPLAN assessments last week.

Well done to all our Year 3 scholars!

A classroom visit from a rabbit and a turtle.
