Term 3 2017 No.2

Forest Edge Camp

The students had a fantastic time at camp and participated in many challenging activities. Thank you to the parents who volunteered their time to attend the camp.

Our School Mission, Vision and Values

This year we have reviewed our school statements:

We work together to build strong relationships; fostering growth and learning for all.

To know our students, how they learn and to continue to develop excellence in teacher and learning practice.

Stockdale Road Primary School's philosophy reflects a developmental, child centred approach that is anchored in the personal interest of each child. This school seeks to educate the whole child by nurturing their cognitive, linguistic, physical, social and emotional growth.

Student Leadership Position

Year 4 students have the opportunity to apply for 2018 student leadership positions this term and in term 4. A copy of the role description and the calendar of when applications are due is in our SLA.

We have created a 4 Team Communication Board on the entrance to our building. Any current whole school or team information will be there.

Fun Run

Stockdale Road have purchased new reading literature resources for students to further develop the way they think about what they read. Some year four students will part take in small reading groups with these texts and reflect on the events, characters and themes within these books and extend their thinking through the use of 3 levelled questioning. These groups will occur on Wednesday morning with Mrs Price.
