

# Year 4 Newsletter

## Term 2 2018

The Year 4 Team welcome Miss Minifie in 4M while Ms Martin is on leave. It is looking to be a busy term with the Year 4 team being involved in the Traralgon College CLiC Program starting in Week 4. The diary is an important tool to refer to with the many upcoming events.

### Student Diaries

It is wonderful to see students regularly using their diary to record daily events, special days, when they are a focus student and what is happening in the classroom. Students need to keep recording their home reading in their diary. It is important that the diary come to school every day.

### EXPO

There was an excellent representation of family members at The EXPO in Week 8, Term 1. Students presented their learning and answered questions about our subject focus of Media Arts

#### Mission

We work together to build strong relationships; fostering growth and learning for all.

#### Vision

To know our students, how they learn and to continue to develop excellence in teacher and learning practice.

#### Values

Stockdale Road Primary School's philosophy reflects a developmental, child centred approach that is anchored in the personal interest of each child. This school seeks to educate the whole child by nurturing their cognitive, linguistic, physical, social and emotional growth.  
*Not all children are ready to learn the same thing, in the same way, at the same time - Kathy Walker.*

# Subject Focus

This term the students will be learning about the subject focus of History. The immersions students will experience are to do with how Traralgon's history has caused changes and how they may have made things stay the same.

*This term in History our aim is to develop our understanding how people and places have changed over time and the impact that has had on Australia.*

Key learning intentions identified:

For the students to:

*Explain why Australia has changed and stayed the same through time.*

*Compare and contrast how the past has influenced life in Australia today.*

## Our School Promise

When we care about each other and our school community, we share what we have, respect ourselves, each other and the environment, listen carefully, help each other learn, work hard and always give our best effort, and have fun together. We understand that everyone makes mistakes, that we look out for ourselves and others, and when someone tells us to stop we stop.

This is who we are, even when no one is watching!
