Term 4 2017 No.1

Welcome back to the last term of the school year. Once again it is another busy term (we say this every term).

Our Subject Focus and Learning Intentions

This term the students will learn about the subject focus of The Arts - Performing Arts.
Our immersion sessions will incorporate the end of year school concert.

*This term in The Arts our aim is to develop our creative and expressive abilities.
For the students to identify the elements of Performing Arts.
For the students to explore, perform and respond to Performing Arts.*

On Wednesday 1st of November, parents are invited to participate in an ERP and immersion session. Each grade will send home an invite stating the time of their session.

School Concert

This year the school concert is on Wednesday 13th of December. The theme of the concert is music through the decades and the 4 team will be performing to music from the 1980's. More information about each grade's performance will be sent home shortly.

End of Year Excursion

Our end of year excursion will be in the last week of the term. More information about the excursion will be sent home in the coming weeks.

Student Leadership Position

Year 4 students have the opportunity to apply for 2018 student leadership positions this term. A copy of the role description and the calendar of when applications are due is in our SLA.

We have created a 4 Team Communication Board on the entrance to our building. Any current whole school or team information will be there.
