## Term 3 Volume 1

We have had a very exciting start to Term 3, the students were particularly excited to discover that their classrooms had been completely transformed after the mid-year school holidays. With special thanks to Chris Henne, Alan Clark (Mr. Clark's dad) and the Year 6 teachers, the new IKEA furniture was built, varnished and set up in the Year 6 classrooms. The students were quite amazed at the new layout, types of furniture and environments set up in their classrooms. Mr. Dennison and 6D have also officially moved into their new classroom in the new building and are loving their brand new classroom.

Before the end of Term 2 the Winter Sports Hockey team were unlucky to lose their Division Winter Sports Hockey match 7-6 (despite holding a halftime 5-1 lead),. However, the team will still move through to the Regional round and compete in Sale later in August. The District Netball and Basketball teams are also looking forward to competing in their competitions later this term.

Another event that the Year 6 students are looking forward to includes a 'Breakout' incursion challenge that will be run by teachers from Traralgon College. This experience will involve an 'escape the room' type of challenge where students' team work, problem solving, literacy and numeracy skills will be put to the test.

### Important Dates:

- Winter Sports Division Hockey—
- District Basketball—4th of August
- District Netball—16th of August
- Book Week 21st-25 of August
- Book Assembly and Parade—22nd of August
- Final Camp Payment Due—24th of August
- Year 6 Camp-18th-20th September
