Please read the following information carefully regarding our Christmas concert next Thursday, 13th of November.

- Students in Prep, Grades 1 and 2 will need to meet near the 5/6 playground, **no later than 4:10 pm.**
- Students in 3/4 will need to meet **no later than 5:05 pm.**
- Students in 5/6 will need to meet **no later than 5:50 pm.**

All students will need to be in their costumes ready to go.

Students will meet their classroom teacher at the meeting point and will stay with their teacher until their section of the performance is over. This means that parents will not be able to meet or collect their child until after their section is completed and their teacher has sent them off. Students will watch their section's performance with their teacher and be free to go or stay and watch with families after or before their section.

For example, a student in prep will need to stay with their teacher and watch until the change-over period after the grade 2s. This helps us run the night smoothly and creates as little disruption as possible.

If you have questions regarding your child's costumes or specific performance times, please see their classroom teacher.
