

Dear Parents / Carers

Stockdale Road Primary School is looking forward to another great year of teaching and learning in 2026. We would like to advise you of the school's voluntary financial contributions for the year ahead.

Our school provides students with free instruction to fulfil the standard curriculum requirements. The ongoing support of our families plays a vital role in enhancing the programs and opportunities we can offer our students.

We sincerely thank you for your continued support—whether that be through financial contributions, fundraising, or volunteering your time. Your involvement makes a significant difference to our school community and the quality of education we can provide.

Thanks to the generosity of our families, we have been able to offer a wider range of subjects and special curriculum experiences, enhance digital learning, and further develop our paddock-to-plate and science programs. Your ongoing support is greatly appreciated, and any contribution towards the 2026 curriculum will help us continue delivering these enriching opportunities for our students.

Financial Support for Families

Principals and school councils exercise sensitivity to the differing financial circumstances of students and their families when considering curriculum contributions. There are a range of support options available to support and assist parents.

These include:

- *The [Camps, Sports and Excursions Fund \(CSEF\)](#) provides payments for eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply and a Special Consideration eligibility category also exists.
<http://www.education.vic.gov.au/about/programs/health/Pages/csef.aspx?Redirect=1>*
- *[State Schools' Relief](#) may cover the cost of new school uniforms, shoes, books and more for disadvantaged students. State Schools' Relief only responds to requests from school principals, assistant principals or welfare coordinators. Parents/Carers who are struggling need to make an appointment with the school to discuss their situation.*
- *Second-hand clothing is available at the school for a gold coin donation per item. All funds received will contribute to the school library fund.*

For confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, please contact Natasha Fox on 5174 1607 or you can email the school with your request at traralgon.ps.stockdale@education.vic.gov.au

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment. Please note, refunds can take up to 3 weeks to process.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

SCHOOL PROCESSES
